

Parlay of the Day docs

These notes describe the FanDuel price desk. They are not legal, tax, or investment advice. Each note has a PDF in this folder. The two older briefs are here as well.

Figures in the business model are a proposal. The graded record as of October 9, 2026 is 83 wins and 219 losses (27.5% of decided tickets). Pushes are excluded. That record is not a profit.

Earlier briefs

These two were already written. They now live in this folder with the notes above.

- `NFL_Desk_Feasibility.pdf` — small profits, sit-out days, and a \$20 FanDuel bank. NFL only.
- `NFL_Desk_Subscription_Plan.pdf` — selling the desk as a paid information subscription. 21+. Not a sportsbook.
